

# I'll Worship (Despite)

Music & Lyrics by Stacey Gbeklui

## VERSE 1

Oh Lord, I'll praise Thee  
With all my being  
In good and bad, I'll thank Thee  
With all my heart I'll love Thee

## CHORUS

And when I'm falling to pieces, I'll still  
bow my knees for You  
And when I don't understand, I'll still lift  
up my hands  
And pour out my love on You  
Oh Lord, I'll Worship

## VERSE 2

My God, I'll trust You  
I'll lift my eyes toward You  
For You alone, are worthy  
Despite, what I might be feeling

## VERSE 3

And Lord, I'll keep Thee  
Near, close, always by me  
I will abide in You Lord  
(Cause) I wanna be where You are

## CHORUS

(So) When I'm falling to pieces, I'll still  
bow my knees for You  
And when I don't understand, I'll still lift  
up my hands  
And pour out my love on You  
And pour out my love on You  
Oh Lord, I'll Worship

## BRIDGE

My God, I'll trust You  
I'll lift my eyes toward You  
For You alone, are worthy  
You deserve all the glory

## CHORUS

And when I'm falling to pieces, I'll still  
bow my knees for You  
Despite of who I am, and what I've done  
I'll still pour out my love on You
